Amount transferred to different agencies for different works against which some of the utilization certificates are yet to receive for the year 2021-22. Since some of the utilization certificate not received for all amount transfer to different agencies it is difficult to comment on whether all amount transfer to agencies has been incurred by the agencies or lying with them as on 31st March, 2022.

So, it was suggested to ensure receipt of all utilization certificates in respect of all funds transfer to all agencies and if any amount unutilized remains with them at the year end then interest earned by the agencies from their bank account should be transferred to DMF account and accounted in DMF books of account.

Overall financial controls and maintenance of books of accounts are satisfactory with the volume and nature of the financial transactions of the DMF during the year.
