12	Balibo (R) Metal	Khata No. 148, Plot No. 353, Area Ac. 1.93 dec	Bhuban	4,644 MT

The quarry will be leased out adhering to the principles laid down in the aforesaid resolution. In case of more than one application for the above ESQ received by this administration, the following principle will be followed to determine the priority.

- Priority will be given to companies generating fly ash that are closer to the ESQ to reduce transportation distance.
- The capacity of the fly ash generating companies shall be reviewed, and the total number of ESQs shall be allotted keeping in view the quantum/ volume of void space (in terms of M³) required by the applicant companies.
- The capacity of thermal power plant (in terms of MW) shall also be taken into consideration since capacity will reflect the magnitude of their companies.
