- h) The staff deployed through the service provider in the health facility (ies) shall not claim any benefit, compensation, absorption or regularization of their services in the Govt. establishment either under the provision of Industrial Disputes Act. or Contract Labour (Regulation & Abolition) Act. The Agency should have to obtain an undertaking from the deployed persons to the effect that the deployed person is the employee of the Service Provider and shall submit the said undertaking to the Contracting Authority. In the event of any litigation on the status of the deployed persons, the Contracting Authority/Society shall not be a necessary party. However in any event, either the deployed persons or to the order of the hon'ble court, the District Health Society / Institution may be a party in dispute to adjudicate the matter. The service provider has to reimburse the expenditure that would have been borne by the Contracting Authority.
- i) The staffs deployed by the service provider shall not divulge or disclose any details of office, operational process, technical know-how, administrative/ organizational matters to any third person, as all of that are confidential and secret in nature. In the event of being found that the official secrecy has been disclosed, it is desirable to remove the said person. The nodal officer of the health facility has every right to remove the said person immediately and the responsibility if any in this context is to be borne by the service provider.
- j) All liabilities arising out of accident or death of the personnel provided by the service provider while on duty shall be borne by the service provider.
- k) Adequate supervision will be provided to ensure correct & effective performance of the services in accordance with the prevailing assignment and instructions agreed upon

between the two parties.

- l) The service provider and its staff shall take proper and reasonable precautions to prevent loss, destruction, waste or misuse of the areas of the Hospital premises.
- m) That in the event of any loss occurred to the Hospital, as a result of any lapse on the part of the service provider as may be established after an enquiry conducted by the hospital, such loss will be made good from the amount payable to the service provider. The decision of the district / institution authority in this regard will be final and binding on the service provider.
- n) The service provider shall be responsible to protect all properties and equipment of the health facility entrusted to it.
- o) Any damage or loss caused by service provider's persons to the hospital in whatever form, would be recovered from the service provider.
- p) In the event of any breach/violation or contravention of any terms and conditions contained herein by the service provider, the performance security deposit of the service provider shall be forfeited.
- q) Any liability arising out of any litigation (including those in consumer courts) due to any act of service provider's personnel shall be directly borne by the service provider including all expenses/fines. The concerned service provider's personnel shall attend the court as and when required.
- r) The service provider shall not engage any such sub-contractor or transfer the contract to any other person in any manner.
- s) The staffs engaged by the service provider shall not take part in any staff union and association activities.
- t) The Hospital shall not be responsible for providing residential accommodation to any of the deployed personnel of the service provider.
- u) If as a result of post payment audit any overpayment is detected in respect of any work done by the service provider or alleged to have been done by the service provider under the tender, it shall be recovered by the authority of the concerned health institution from the service provider.
- v) If any less payment to the service provider is discovered, the amount shall be duly paid to the service provider by the authority of the concerned health institution.
- w) The service provider shall provide the copies of relevant records during the period of contract or otherwise even after the contract is over whenever required by the Tender Inviting Authority / Authority of the concerned health institution.
- x) The service provider will have to enclose the proof / copies of the challans showing payment of statutory dues if any for the previous month along with monthly bills.
- y) All necessary reports and other information will be supplied on a mutually agreed basis and regular meetings will be held with the nodal officer of the respective health facility (ies)/ Tender Inviting Authority/Contracting Authority. The service provider and its staff shall take proper and reasonable precautions to preserve from loss, destruction, waste or misuse the areas of responsibility given to them by the Hospital, and shall not knowingly lend to any person or company any of the effects or assets of the Hospital, under its control.

- z) The service provider shall immediately intimate to the Controlling Authority about any criminal charge framed against the persons or supervisor engaged or employed by the agency, in the course of their performance of duties. A copy of such communication shall also be sent to the officer-in-charge of the Police Station where the person charged against resides.
- aa) The service provider shall be blacklisted if miserably performed as per assessment based on score card even after repeated notice for improving performance i.e. minimum 3 times. The service provider shall also be blacklisted if found indulging in such activity which will affect name & fame of the implementing agency.
- bb) The service provider shall not assign or sublet the services undertaken or any part thereof to any third party.
- cc) The contract can be terminated at any time prior to its completion by either Party with 30 days of notice period.
- dd) In case of breach of any terms and conditions attached to the contract, the Performance Security Deposit of the service provider will be liable to be forfeited by contracting authority besides annulment of the contract.
- ee) The service provider shall ensure that the person deployed are disciplined and shall enforce prohibition of consumption of alcoholic drinks, paan, gutkha, smoking, loitering and shall not engage in gambling or any immoral act.

4.8 Termination / Suspension of Contract

The District Authority / Institution may by a notice in writing, suspend the contract if the selected agency fails to perform any of his obligations including carrying out the services, provided that such notice of suspension shall specify the nature of failure, and shall request remedy of such failure within a period not exceeding 15 days after the receipt of such notice.

The District Authority / Institution after giving 30 days clear notice in writing expressing the intension of termination by stating the ground/grounds on the happening of any of the events (as mentioned below), may terminate the agreement after giving reasonable opportunity of being heard to the service provider :

- 1) If the service provider do not remedy a failure in the performance of his obligations within 15 days of receipt of notice or within such further period as the District Authority / Institution have subsequently approve in writing.
- 2) If the service provider becomes insolvent or bankrupt.
- 3) If, as a result of force majeure, the service provider is unable to perform a material portion of the services for a period of not less than 60 days: or
- 4) If, in the judgment of the District Authority / Institution, the service provider is engaged in corrupt or fraudulent practices in competing for or in implementation of the project.

4.9 Modifications

Modifications in terms of reference including scope of the services can only be made by the district authority / institution with written consent of both parties. However, basic conditions of the contract shall not be modified.

4.10 Force Majeure

This Services as being an emergency response services, the Service Provider shall not be allowed to suspend or discontinue the Services during occurrences of emergencies or Force Majeure Events.

For the purposes of this contract, "Force Majeure" means an event which is beyond the reasonable control of a Party, is not foreseeable, is unavoidable, and not brought about by or at the instance of the Party claiming to be affected by such events and which has caused the non-performance or delay in performance and which makes a Party's performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances, and includes, but is not limited to war, riots, civil disorder, earthquake, fire, explosion, storm, flood or other adverse weather conditions, strikes, lockouts or other industrial action (except where such strikes, lockouts or other industrial action are within the power of the Party invoking Force Majeure to prevent), confiscation or any other action by Government agencies.

In such circumstances of emergencies and Force Majeure Event, if the Performance Standards are not complied with because of any damage caused to the services or any of the Project Facilities or non-availability of staff, or inability to Provide services in accordance with the Performance Standards as a direct consequence of such Force Majeure Events or circumstances, then no penalties shall be applicable for the relevant default in Performance Standards and would be applied to such particular defaults. Further, unless the Force Majeure event is of such nature that it completely prevents the operation of services, a suspension or failure to provide Services on the occurrence of a Force Majeure event will be an Event of Default and the District authority may terminate this Agreement without any termination payment being made in respect thereof.

The failure of a party to fulfill any of its obligations under the agreement shall not be considered to be a default in so far as such inability arises from an event of force majeure, provided that the party affected by such an event has taken all reasonable precautions, due care and reasonable alternative measures in order to carry out the terms and conditions of the agreement and has informed the other party as soon as possible about the occurrence of such an event.

4.11 Settlement of Dispute

If any dispute with regard to the interpretation, difference or objection whatsoever arises in connection with or arises out of the agreement, or the meaning of any part thereof, or on the rights, duties or liabilities of any party, the same shall be referred to Committee constituted at the District level for decision.

4.12 Jurisdiction of Court

Legal proceedings if any shall be subject to the concerned District jurisdiction only.

4.13 Right to Accept and Reject any Proposal

The District Authority / Institution / Tender Inviting Authority reserve the right to accept or reject any proposal at any time without any liability or any obligation for such rejection or annulment and without assigning any reason.
